TODAY’S OBJECTIVES

- Evaluate the ORTP 2045 Plan Vision Statement and Goals for relevance and continuity.
- Adapt first public touchpoint to successfully gather feedback on vision and goals statements.
- Leverage the CAC’s insights to prep for community outreach and to connect with the public within your sphere of influence.
OVERVIEW – VISION AND GOALS

Framework: “Weaving” the previous and separate efforts together to form a cohesive “lauhala mat” that reflects the public’s transportation desires.

Focus on: Inclusivity, Equity, and Diversity

Reasons to rethink the plan:
• Change in public desires
• Disruptions from COVID19, new vulnerabilities identified?

What does a 2050 Plan embrace or reflect?
Vision: In 2045, O‘ahu’s path forward is multimodal and safe. All people on O‘ahu can reach their destinations through a variety of transportation choices, which are reliable, equitable, healthy, environmentally sustainable, and resilient in the face of climate change.
2045 GOALS

1. Improve the safety of the transportation system;
2. Support active and public transportation;
3. Promote an equitable transportation system;
4. Improve the resiliency of the transportation system;
5. Preserve and maintain the transportation system;
6. Support a reliable and efficient transportation system;
7. Improve air quality and protect environmental and cultural assets;
