Community Engagement

On Friday, March 15, OahuMPO staff members Samantha Lara, Chelsea Dau, and Lily Zheng attended the Aliamanu Elementary School Career Day. They shared information about the role of metropolitan planning organizations and the exciting day-to-day life of a transportation planner. They facilitated four interactive presentations with fifth grade students and engaged the students in discussions.

Policy Board

The Policy Board met on March 28. They received a presentation on proposed Oahu Regional Transportation Plan (ORTP) 2050 Objectives and Performance Measures and voted to approve.

They also received a presentation on the Federal Carbon Reduction Program and voted to approve the Project Prioritization and Selection Process and list of selected projects for the Suballocation of Funds for the Oahu Urbanized Area.

Finally, they also received a presentation on the 2024 Transportation Safety Mobile Workshop and voted to approve the use of donated State Department of Health funds for travel related expenses for the Chair and Vice-Chair, and the use of FHWA STBG Urban Workforce Development funds for travel related expenses for the Executive Director, to attend the Workshop.

Their next meeting is currently scheduled for Monday, April 29 at 11:00 AM.

Citizen Advisory Committee (CAC)

The CAC met on April 3. They received a presentation on the Overall Work Program (OWP) Presentation: Planning for Improved Resilience to Coastal Hazards through Green Infrastructure. They voted to recommend the Policy Board approve.

Their next meeting is scheduled for Wednesday, May 1 at 2:30 PM.
