Executive Director's Report

Oahu Regional Transportation Plan (ORTP) 2050 Public Survey

OahuMPO conducted an interactive, educational survey during the month of August to gather public input on the policy board approved goals and objectives of the ORTP 2050. We received more than 1000 responses and are currently analyzing the data, which will be presented to the committees in October. A high-level overview of the data is currently up on our engagement website, if you're interested in seeing an early preview.

Policy Board

The Policy Board met on August 26.

They received a presentation on a proposed application for a USDOT Safe Streets for All (SS4A) grant and voted to direct OahuMPO staff to apply. They received a presentation on the Overall Work Program (OWP) funded Vision Zero Action Plan and voted to approve the report. They also received a presentation regarding the potential OahuMPO Regional Planning Priorities for the FY2026-2027 OWP and voted to approve the proposed priorities.

Their next meeting is scheduled for September 30 at 11:00 AM.

Citizen Advisory Committee (CAC)

The CAC met on September 4.

They received a presentation on the Overall Work Program (OWP) funded Vision Zero Action Plan. They also received a presentation on the OWP funded Uehiro Education Framework for Youth Engagement in Transportation Planning and voted to recommend the Policy Board approve.

Their next meeting is scheduled for October 2 at 2:30 PM.
