Projects in the ORTP become eligible for Federal funding assistance. The ORTP must be updated at least every five years. The deadline for the next update is April 2016. A public and intergovernmental review and comment period for the draft ORTP was completed on March 28th. c. CAC Request to Provide Testimony

At the February 24th meeting of the CAC, the committee recommended language for a resolution regarding effective public involvement in implementing Complete Streets and requested that the resolution be transmitted to the City as testimony. Transmission of a resolution would require the Policy Board's approval.

The draft resolution states, in part, "...the CAC supports effective public involvement in the implementation of complete streets, provided that the required processes further the systematic implementation of complete streets in Honolulu..." The draft resolution can be viewed here: http://www.oahumpo.org/wp-content/uploads/2016/02/OMPO-resolution_final-language.pdf
