INTERGOVERNMENTAL REVIEW: DRAFT FY2019 OVERALL PROGRAM (OWP)

The Oahu Metropolitan Planning Organization (OahuMPO) is releasing the public draft of the FY2019 *Overall Work Program* for public and intergovernmental review.

The public draft may be viewed on our website at:

[http://www.oahumpo.org/FY2019 OWP Public-Intergovernmental Review Draft](http://www.oahumpo.org/FY2019%20OWP%20Public-Intergovernmental%20Review%20Draft)

The Overall Work Program (OWP) does two main things: 1) it describes and programs planning studies (along with any defined objectives, tasks, and deliverables), and 2) describes and programs the budgetary and staffing requirements for OahuMPO. The OWP is updated annually. The OWP is a requirement for metropolitan transportation planning activities performed with Federal funds provided under Title 23 United States Code (USC) and Title 49 USC.

Your review and comments on this draft will be greatly appreciated.
